Changes for SP OPT papers

The professional skills being assessed

These will be the same as those currently assessed in Strategic Business Leader (SBL) but tailored to reflect the specialist content being assessed in each Options exam.

Each of the four professional skills has a number of leadership capabilities associated with it. The Strategic Professional Options examinations will use these capabilities to allocate marks in each exam question as appropriate.

The professional skills and capabilities are:

Communication

Commercial acumen

Analysis and evaluation

Scepticism (and judgement)*

Agenda

- Overview for ACCA Career Navigator
